Thank you for your interest in Indigo Blue Beach House. As owners of Gravity Adventures, Andrew and Marie-Louise Kellett have over 15 years experience in the tourism industry and understand just what is needed for a great holiday. Indigo Blue is designed to be the perfect beach house and we hope you will enjoy your stay.

Remember, Gravity offers awesome Orange River rafting, laid back Breede River rafting , exciting Palmiet River whitewater rafting & tubing, school adventure camps, river guide training, kayak sales and instruction and much more!

Our Langebaan Portfolio includes two of our own properties as well as a third property one door away. All are situated on Langebaan's best beach and offer simple, stylish beach house accommodation for a total of 20 people.

Indigo Blue - The House

Indigo Blue is a classic beach house and provides the ideal base for a laid back holiday. Situated on one of Langebaan's best and most private beaches, Sandbaai, the house has its toes in the sand and you literally walk from the front door out onto the beach. The shallow and protected lagoon waters are great for kids with the nearby rock pools providing hours of entertainment. Simply furnished with a west coast feel, it is fully equipped with everything that you might need for a seaside holiday.

The house sleeps 6-8 people – the first bedroom has a double bed + single bed and en suite bathroom with bath; the second bedroom has a double bed and shares a bathroom with shower with the third bedroom, which has 3 single beds. Bedrooms are equipped with down duvets and pure cotton linen and all have lagoon views. Bath & Beach towels are provided.

There are two spacious living areas, one at the rear of the house, opening on to a wind protected courtyard with braai area and the other at the side, with a hot and cold outdoor shower and direct access to the beach. All living

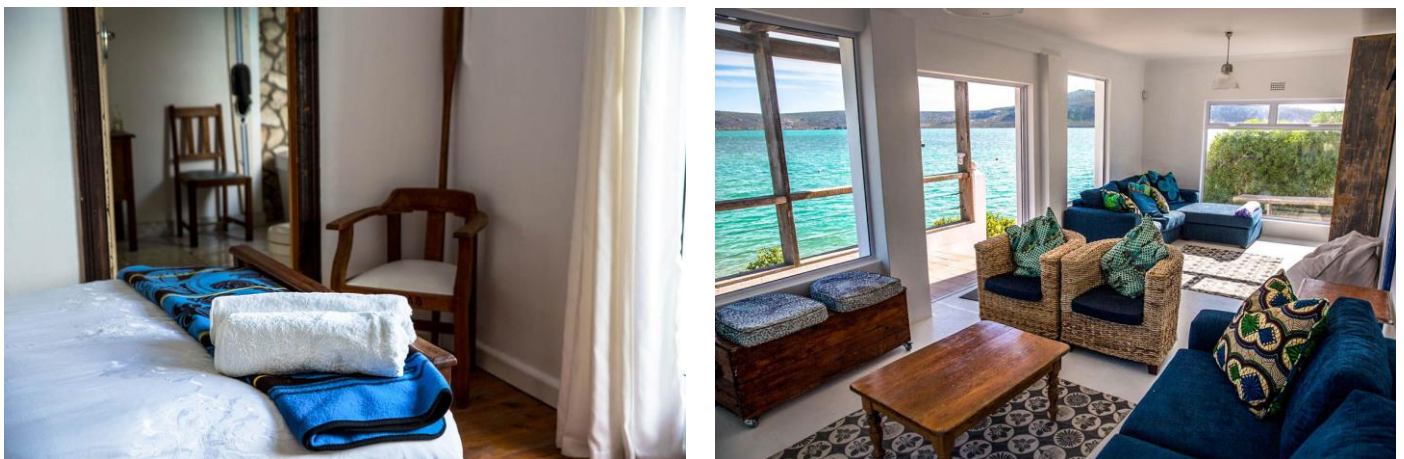

areas have beautiful lagoon views. The front living area, with its comfy couches is a great spot to relax and read a book. There's a well-stocked bookshelf and some classic board and card games as well as some toys and beach paraphernalia are supplied. There is currently no TV but live sports can be watched at the yacht club, a short stroll away along the beach.

The open plan kitchen is equipped with a 5-plate gas stove with electric oven, dishwasher, a fridge/freezer and a microwave oven. Housekeeping supplies and equipment are provided. There is no washing machine (who wants to do laundry on holiday?) but there are numerous laundry services in town. Wooden floors in the bedrooms and cement screed throughout the rest of the house mean that beach sand is never a problem.

To complete your perfect beach holiday, we provide three Fluid Buddy kayaks (1 seaters), complete with paddles and PFDs (bring own kid's PFD) as well as an inflatable SUP. These are shared with guest in Baby Blue Cottage next door and are kept in the boat room at beach level, below the balcony. You'll find the key hanging in Indigo Blue. Additional kayaks can be hired from our boat rack on Langebaan Main Beach. Optional extras include the hire of our semi rigid inflatable, *Balega*, with skipper. If you bring your own boat, you may anchor in front of the house. You can also book a guided sea kayaking trip with Gravity Sea Kayaking at a discounted rate – trips must be booked in advance and are subject to availability and minimum numbers.

And if you book for a weekend, we won't chase you out early on Sunday – stay as long as you like (provided no one is moving in Sunday afternoon or Monday morning). You can even add a third night at a discounted rate if you just can't face returning to real life (subject to availability).

We are sorry but we cannot accommodate your furry friends – we are not a pet friendly establishment.

Baby Blue – The Cottage

Situated above Indigo Blue but also with direct beach access and sweeping lagoon views, Baby Blue is an open plan studio flat that sleeps two adults. A small sleeping loft is available for children aged 8-12 years. The kitchenette consists of a 4-plate gas cooker with extractor fan, electric oven and fridge. There are two single beds on wheels which can be moved easily if you need more space. A small sitting area completes the interior. A spacious bathroom has a walk-in shower. As with Indigo Blue, the indoor-outdoor flow is exceptional – there is a wooden deck looking out over the lagoon and a wind protected rear covered stoep and braai area. There's an outside hot and cold shower and great patch of lawn for chilling. A mini olive grove completes the picture!

A very simple separate bunk room with its own loo and wash basin is also available – this is ideal for adults, older kids and teenagers. Baby Blue can be rented own its own or in conjunction with Indigo Blue.

The Town & Area

Langebaan is a sleepy holiday town with one of the best locations in the country – on the shores of the Langebaan Lagoon and bordering the West Coast National Park. Rampant development and dodgy seaside architecture has resulted in Langebaan sprawling towards Saldanha Bay but luckily this is hardly noticed at our little piece of heaven – Indigo Blue is one of the town's original beach houses and Sandbaai has hardly changed. We are at the far end of town, 20 minutes walk from the entrance to the National Park. The town has everything you will need – Spar, Pick 'n Pay (even a Woolworths 25 minutes away), banks, ATMs, laundry services, shops etc. The town centre is a 20 minute walk on the beach away.

Various activities are available including kite boarding lessons, guided kayak trips on the Lagoon with Gravity Sea Kayaking, Deep Sea Fishing, Horse riding etc. Attractions in the area include the West Coast National Park, the West Coast Fossil Park and the !Kwa Ttu San Reserve.
